---

new upgrades and features, please subscribe to our updates. This mod brings the WiiWare game category to the Wii. Once installed the WiiWare Games can be found in the "Games" menu as "WiiWare". The WiiWare category consists of 3 games: "Leaving Home" - a bizarre psychological thriller that may be the most twisted game yet. "Ninja Dash" - a 2D racing game that has the players racing against time and the

---

Ninja. "Caveman Island" - a 3D platformer with some pretty strange aspects to it. All 3 games are played from the Wii point of view and you'll be the controller of the WiiWare games. All 3 games have a warning that the game is only available in Japanese and the English release will be out later this year.
