Best, @ A: They probably made this point out when publishing the game, so it must be true. If it was false, then even if the producers knew the console they were making for and the viewership were exactly the same, there would be a great opportunity for the producer to lose a ton of money, and they would've been quite surprised. Edited to add: I just saw the link to the Japanese announcement (with the screenshot you showed in your edit). In
