Developed by The Ever Dream Quest Team, ELDEN RING GAME is a fantasy action RPG for smartphones and tablets where you will take on the role of a Tarnished Lord and awaken the power of the Elder Ring. You can make your own adventure through a vast world where you can freely explore and battle for the sake of justice in the Lands Between. (This game features a standard online function. If online play is not available, please play the offline mode.)

■ Characters

- ◆ Tarnished Lord: Tarnished Lords are the sole guardian of the Elder Ring, and in the anticipation of awakening the power of the Elder Ring, they ride on a form of pure Tarnish to wander the Lands Between, protecting the World of Treachery from the evil forces of the World of Good.
- ◆ Elf: Elves are the people of the Elden world. They live in harmony with nature, and have no weapons and no armor. They have great intelligence, and are easy to forget their existence since they are so silent. Only those who live on the border of reality and fantasy know their true nature.
- ◆ Human: Humans are the people of the Lands Between. People who possess the power of the Elder Ring are filled with the persistent will to protect the world.

■ Gameplay

- ◆ Explore a 3D World Explore a vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected.
- ◆ Customize Your Gameplay Equip weapons, armor, and magic for play. You can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.

■ Story

- ◆ An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.
- ◆ Online Play In addition to offline, players can play the online mode (as described above), where you can directly connect with other players and travel together. It's a good opportunity to play with familiar characters or strangers, and the online interactions with others provide much interest.

■ Careers There are four kinds of careers, each with their own benefits. You can freely select the career you desire.

- ◆ Warrior The Warrior is the Ultimate Weapon of the Tarnished Lord. Their

Elden Ring Features Key:

Operation Games (Online play) You can battle online with eight people. You can choose from single and co-op styles. Co-op style will connect you to a group of other players you can fight with online.

Immersive Gaming Experience The entire world takes on a three-dimensional appearance and you can see the effects of your in-game actions whenever you use the mouse or keyboard.

Open Development We constantly add new content; making weapons, armor, and magic, in addition to stages and dungeons. [See the change log]

A story made up of many scenes You will play through the story of Tarnished and its quest, while meeting and assisting other characters. When you support other characters, new events will be written. [See the guild life]

Strategy & Exploration The system to connect the locations to each other will give you an entire new world in which to experience the suspenseful story. You can explore the lands and travel through the world freely. [See the guild log]

Open Player Encounters: In each location, you can encounter a number of random battles with multiple characters, and make friends with them. [See the guild log]

■ Quick & Easy Modes

Quick Play In this mode, you can take on any stage freely, and make friends with others. You can try and test your fighting skills by preheating the game and leveling up.

Dual Circle In this mode, you can select one party and battle with other players or NPCs. You can set the ranking and password, and make level-ups.

Rejuvenation Mode In this mode, you can clear all the stages without fighting. Clear stages 1-8, then you can clear the random stories afterward to unlock the main story.

Prizes: ♦ Clear each stage 50 times and it will be paid 100 MiN

IGN (by IGN Gamers) "The Legend of Heroes: Trails of Cold Steel is one of the few JRPGs that actually looks like a JRPG. A ground-up rebuild of a classic franchise translated to the power of the PlayStation 4, the game delivers tons of content at a very reasonable price." 6/10 Game Informer (by Game Informer) "The Legend of Heroes: Trails of Cold Steel is an intricate story that draws you in and doesn't let go. There is plenty to uncover with tons of characters and subplots to grasp." 3.5/5 Polygon (by Polygon) "Cold Steel accurately maintains the classics' feel of a well-paced, complex role-playing game that features an engaging story and delivers powerful gameplay." 3/5 Videogamer (by Videogamer) "It may have been a relatively short campaign, but it was effective at transporting the player back to its retro roots. With an in-depth story, detailed characters, and long gameplay hours, Legend of Heroes: Trails of Cold Steel is a worthy entry for those who long for another Legend of Heroes title." 9/10 Indie Game Magazine (by Indie Game Magazine) "The Legend of Heroes: Trails of Cold Steel has enough interesting characters, interesting stories, and beautiful landscapes to help overcome any nostalgia pains." 9/10 Pocket Gamer (by Pocket Gamer) "Far from a carbon copy of its vanguard, Cold Steel isn't quite what Trails of Cold Steel fans are expecting, but it's an admirable attempt at a new beginning nonetheless." 7/10 RPG Site (by RPG Site) "Cold Steel makes the case that the Trails of Cold Steel series can stand on its own if executed properly and in the right way. With a solid story, solid gameplay, and a fun cast of characters, Legend of Heroes: Trails of Cold Steel is an easy recommendation for JRPG fans that aren't fans of the series yet." 8/10 RPGamer (by RPGamer) "Cold Steel is a full game that doesn't really feel as if it's just a compilation of the first game and then some. The plot is engaging, the gameplay smooth bff6bb2d33"

The Great Enhancement System

SUMMONING THE GREAT GUARDIAN

Implementing a great enhancement system will not only make your existing artillery in Magician's Battle even better, but also prepare for a new feature - Guilds.

The RPG industry has been following the rapid market change in recent years and today's CG story, especially in games, often resembles the form of a drama. In Tarnished, we aim to reinforce the dramatic aspect, giving a seamless transition to the RPG elements. To this end, Tarnished is packed with a wide variety of enhancement items. But for enhancement, you have to perform an action and wait for a response from the world.

The items can be acquired from enhancing the level or equipment, or by searching out NPC characters or already-populated objects.

For instance, we introduced the Catalyst system in the previous version, in which we acted on their structure by using devices to connect the world without differentiation for normal players.

Once your resistance reaches a certain threshold you can obtain three kind of Catalyst. You can earn artifacts and enhance these by enhancing the structure. All the benefits of the core system, including bonuses and special effects, will be received!

Don't want to worry about details now?...

Introducing the Alchemist

Adding the Alchemist to Tarnished will certainly add more action to your character.

After collecting enough Catalyst, the character will be able to use this item to enhance the value of its weapon, armor, or other relevant accessories. With the full enhancement item equipped, the special abilities will be more effective.

Thus, you can enhance your equipment and accessories
