What's new:

hey im looking for some of those dark elf like counterparts ;(to kill the most powerful souls out there and take their bosses 1st stats for a Tarmy-knights 101 list Im on a XP level of 630 so want to get 20-50 like my dark elf level by next summer (will be starting the next soul at 500 CP) no wait a datacron,,lol,,i want 10-20 so stat changes/skills will not matter Yesterday I bought my first character, Smack. I've got the Dark Elf form that looks very nice, but doesn't wear much else. Since I don't see any things on Smack's inventory that would classify as an alternate form, I ask the question: Can I simply go into my 'player inventory' and create an alternate inventory? And for that matter, can the same thing be done for players whom have an alternate form, and not have to buy the appropriate tarmy-knights character first in order to have a matching inventory? If there isn't a way to just switch to an alternate form with no effort, I'll just go and get a different color tarmy-knights. Ok, here is my problem. I bought Kastria from Bwep after the Merge. I look at his info and it tells me that his last name is Rathgar but says I am from Diz. I know Diz is supposed to be dead. I traced back and thought that Diz was my father.. I also thought that I wasn't supposed to be able to come back through the Veil into STV. Diz obviously isn't a real person. So what can I do? I want to bring his characters through the Veil to visit him in the Land between the stars.. is this possible? Nice and working! Having an awesome time with it. Been able to rise Smack up to Level 49 and start test-mining gold. He's actually been finding a lot more.. for example, in the Razedora Canyon we found a beautiful golden mine that was sitting atop a large slab of platinum ore, not a trace! However, while being mining for gold, I met a raider from KS with the Mailoff Mod, and while trying to destroy his "steel" and leave, I noticed he had 500 MP and I have 1000. I assumed that I reached his limit even though I still had the ability to communicate with him,

It's great served warm or cold, and it can be made with my favorite brand of pickles. My husband said he doesn't like coleslaw, but he will eat this dressing with its creamy flavor. BECKY W. from INDIANOLA, IL 03/25/2010 Great!This dressing is the best ever. I never thought I would enjoy a coleslaw dressing, but I am now a big fan. I used a little less vinegar and may add a bit more salt. It is light and delicious. GEORGIA S. from 10/03/2007 Great Flavor!! think this recipe is good. I like that it includes vinegar to help in the dressing. I usually don't have any left over dressing, but when I do, this is the recipe I use. It tastes good on a salad, or cold, or hot. ROSARO G. from 05/25/2007 chicken or porkThis dressing is what I was looking for. I served this as an appetizer, along with a few strips of cooked ham. The dressing was served warm, drizzled over an array of vegetables, and everyone loved it. a cook from POUNCE RIDGE, NY 04/06/2007 GREAT!We had this over baked pork chops for dinner with a roll and it was great!!
