Developed by 505 Games, creators of the acclaimed new fantasy action RPG, "Persona 4: Dancing All Night," comes an all-new spin-off, "Persona 5: The Animation," which tells the story of Phantom Thief in the town of Inaba. In the kingdom of Arcadia, the atmosphere is one where creatures from myths and legends such as Sirens and Furies live. The protagonist is a young man named Yu Narukami. Accompanied by his childhood friend, Ann, he goes on a journey to get his emotions out. With his Persona, he can harness the power of the Arcana and take on monsters of various kinds. Upon exploring the world and mastering the uses of the Persona, Yu will gradually uncover the truth about the past. All registered users: 3,715,992 The number of accounts created is estimated.
